INDIA's leading manufacturers of
Fire-Fighting Vehicles

45
YEARS
OF SERVICE TO
THE NATION

Bramston & Associates

Distributor for **Africa**

Brijbasi Hi Tech Udyog Ltd. (BHTUL), An ISO 9001-2000 company, is a pioneer in design, manufacture and supply of fire fighting vehicles and equipment in the Indian sub-continent. The company was established in 1971. Our Head Office is in New Delhi and branch offices in Mumbai, Chennai and Kolkata.

About Us

Our primary production facility is located in Mathura, about 145 kilometers from New Delhi, and has an approved facility for testing and commissioning of fire vehicles by prestigious Government of India organizations such as Defence Institute for Fire Research, Engineers India Ltd., etc. We have also set up a new factory near Mumbai for further capacity expansion as well as for introducing new products and diversification.

Brijbasi Hi Tech Udyog Ltd. employs over 150 people including trained and qualified people in engineering and management departments at its manufacturing facility at Mathura. The various departments of the company work hand in hand to assure a quality product, and make sure that the customer is satisfied with the product and the after sales service.

Our innovative product development capabilities helped us secure our first big order for 60 Crash Fire Trucks for the Airports Authority of India during 1975. Since then, we have designed, developed and supplied more than 150 Fire Crash Tenders to Indian Air Force and to the Airport Authority. In addition, we have been awarded the biggest order for fabrication of 110 Crash Fire Tenders for Indian Air Force through Bharat Earth Movers Ltd., Bangalore.

Our Directors...

Ours is a public limited company with the following directors:

Name & Designation	Key Role	Qualification
Mr. Mahesh C. Agrawal (Founder and Managing Director)	Director Sales & Marketing (Delhi & Mathura)	BS & MS Chemical Engineering, USA
Mr. Suresh C. Agrawal (Joint Managing Director)	Director Finance (Mathura)	BS Mechanical Engineering, India
Mr. Rajesh Agrawal (Executive Director)	Director Production & R&D (Mathura)	BS Chemical Engineering, India
Mr. Mohit Agrawal (Director)	International Products Sales & Marketing (Delhi)	BS Chemical Engineering, MS Environmental Engineering, USA
Mr. Udit Agrawal, CFA (Director)	Director Marketing (Mumbai & Delhi)	BBA & MBA Finance, USA
Mr. R.B. Shah	Sales, Marketing, Product Development (Mumbai)	Bsc., India

Our Strengths

01

Integrated Manufacturing
setup spread across
1,00,000 square meters.

02

Integrated vendor network
to ensure good quality and
price competitiveness.

03

After Sales Support
network across India.

04

Strong emphasis on
Research & Development.

Water Mist System (Quick Response Vehicle)

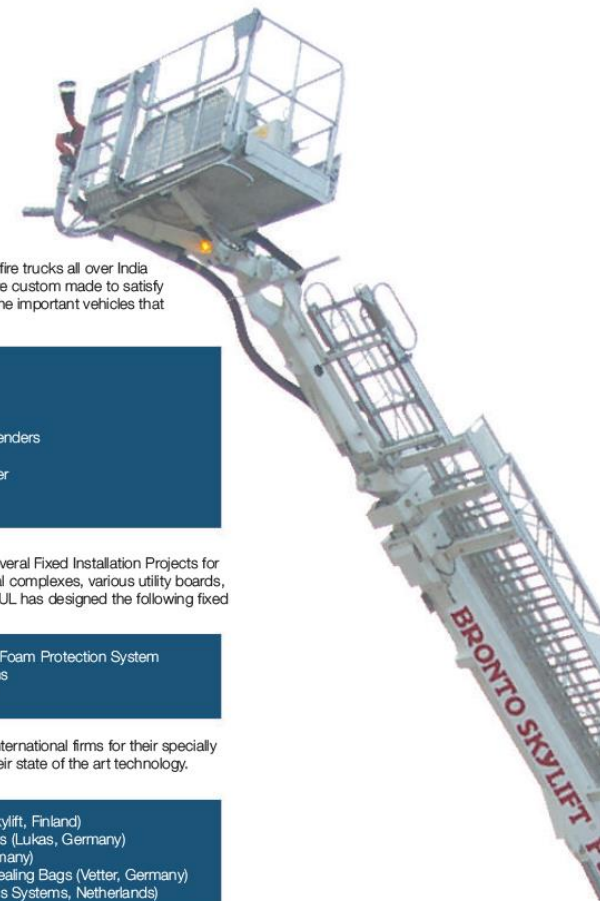

Chassis	Tata Mobile, Mahindra Genio Cab Chassis
Cabin	Single Cab Chassis for 1+2 crew members or double crew cab (Original Chassis Manufactured Cab)
Foam Tank & Water Tank (Foam Tank/Composite Water)	FRP Tanks Capacity 350L, 450L & 600L Water and Foam tank is common tank with partition
Water Mist Pump	38-42 LPM @ 100 bar pressure CE marked
Prime Mover	13-21 HP 4 stroke V-Twin air-cooled petrol engine (Honda/ B&S)
Foam Proportioner	Inbuilt
HP Hose Reels	2x60mm High Pressure Hose Reels
Body Work	Rolling Aluminium Shutters
Electrical Accessories	Revolving Light bar, PA System, Fog lamps etc.
Light Mast	Roof Light Mast with 12V / 24V LED Lights (Optional)
Other Optional Equipments	Optional Rescue & Personal Protection Equipments

Pyrolance Piercing-Cooling And Extinguishing Water Mist System

Chassis	Tata Mobile Xenon, Mahindra Genio Cab Chassis
Cabin	Single Cab Chassis for 1+2 crew members or Double crew cab (Original Chassis manufactured cab)
Water Tank	FRP Tanks capacity 350 L, 450 L & 600 L
Water Mist Pump	40 LPM @ 100 bar pressure CE marked (Plunger Pump)
Prime Mover	25 HP 4 stroke gasoline engine (Vanguard or equivalent)
Percleng System (Carbon Composite Abrasive Material Tank)	Piercing and Cutting Capability <ul style="list-style-type: none"> Concrete with thickness up to 2" inches (50 mm) Concrete block walls Steel surfaces with thickness up to 1/2" inch (12 mm) Aluminum surfaces with thickness up to (25mm) Wood material and plywood with thickness (12 mm to 100 mm) Composite materials with thickness up to (100 mm) Plexiglas material with thickness up to (6 mm)
HP Hose Reels	1 or 2 x 60 m High pressure Hose Reels
Body Work	Rolling Aluminium Shutters.
Electrical Accessories	Revolving Light bar, PA System, Fog lamps etc.
Light Mast	Roof Light Mast with 12 V / 24 V LED lights (Optional)
Other Optional Equipments	Optional Rescue & Personal Protection Equipments

BHTUL has produced and supplied over 6000 fire trucks all over India in the 40 years of its history. Our fire vehicles are custom made to satisfy the varying needs of our customers. Some of the important vehicles that we manufacture are:

- Water Tender
- Foam Cum DCP Tender
- Emergency Rescue Vehicle
- Foam Tender
- Airfield Rescue/Crash Fire Tenders
- Special Fire Tender
- Mix-O-Matic Foam Tender
- Dry Powder Tender
- HAZMAT Vehicle

BHTUL has also undertaken construction of several Fixed Installation Projects for fire protection systems at various petrochemical complexes, various utility boards, and other manufacturing industrial plants. BHTUL has designed the following fixed installation systems:

- Hydrant Systems/Crude Oil Tank Foam Protection System
- Remote Control Monitor Systems
- Oil Jetty Fire Protection System

We also represent some of the most reputed international firms for their specialty fire fighting and safety equipment known for their state of the art technology. Some of these specialty products include:

- Aerial Ladder Platforms (Bronto Skylift, Finland)
- Hydraulic / eDraulic Rescue Tools (Lukas, Germany)
- Crash Fire Tender (Ziegler, Germany)
- Pneumatic Lifting and Leak Sealing Bags (Vetter, Germany)
- Mobile Water Supply (Hytrans Systems, Netherlands)

The Future...

The industry as a whole has potential for high growth with the ongoing industrial development in India which will continue for many years to come. New facilities such as power plants, petrochemical complexes, refineries, fertilizer plants, infrastructure projects etc. are coming up at a fast pace in the country. This development leads to opportunities not only for us, but also for international companies with quality products and services... and we are always looking to associate ourselves with firms who are leaders like us.

Emergency Rescue Tenders

Medium Rescue Tender

Chassis	7 ton GVW Tata LPT712, At709, Eicher, Swaraj Mazda
Generator	12 kW Driven by PTO
Light Mast	4m Ht. Pneumatic Light Mast
Flood Lights	4 x 1000 w Halogen
Winch	Electrical or Hydraulic 3 to 5 Ton pulling & lifting
Equipment Storage	Roll-on-Roll-off type push & Pull trays for storage
Special Equip.	Disaster Equipments
Standard	IS:949
Body & Lockers	MS/AL/SS Al. rolling shutters / Door type

Emergency Rescue Tender

Chassis	16 ton GVW 4 X2 Tata LPT 1613, 1615 AL Comet Gold 1616
Generator	15-25 kW driven by PTO
Light Mast	4m - 6m Pneumatic Light Mast Verticle or Roof mounted Tilt & Turn with remote cosole
Flood Lights	4 x 1000 w Halogen
Winch	Electrical or Hydraulic 3 to 5 Ton pulling & lifting
Equipment Storage	Roll-on-Roll-off type push & pull trays for storage
Special Equip.	Disaster Equipments/Hazmet Search & Rescue Flood Relief
Mounted Equip.(Opt.)	Hydraulic Crane-5 ton lifting
Standard	IS:949 or EN specs
Body & Lockers	MS/AL/SS Al.rolling shutters/Door type

Disaster/Hazmat cum Emergency Rescue Tender

Chassis	25 ton GVW 6 X 4 Tata LPT 2518, Ashok Leyland Taurus 2516, MAN 25-280 6 X 4, Volvo FM 400 6 X 4
Generator	15-25 kW driven by PTO
Light Mast	4m-6m Pneumatic Light Mast Vertical or Roof mounted Tilt & Turn with remote cosole
Flood Lights	4 x 1000w Halogen
Winch	Electrical or Hydraulic 5 to 10 Ton pulling & lifting
Equipment Storage	Roll-on-Roll-off type push & pull trays for storage
Special Equip.	Disaster/Hazmat Equipments NBCR Equipments, Water tank, Decontamination Recovery
Mounted Equip.(Opt.)	Hydraulic Crane-5 ton lifting Fire pump Hose reels
Standard	IS:949 or EN specs
Body & Lockers	MS/AL/SS Al. rolling shutters/Door type
